“ *Sorry Friehoff family, and all who loved Mark. I was one of them. My Dad and Tony were the best buds back in the day and I grew up with this family. I know Mark loved me his whole life since we shared that first innocent kiss at age 12. I remember being in your room, and you just played music for me. We still always shared a dance as adults when we saw each other. Dance on and trumpet on, love.*

“ Mark looking back and remembering the times we shared was a happy time in my life. One memory I have was sometimes instead of going to church we ended up at Pere Marquette or Portage Des Sioux in your Karmann Ghia. We had such wonderful friends and wonderful times. I miss you brother! Love John West

“ I am sorry to learn of this loss for the Freihoff family; some of the best people I have ever known. I have great memories of times spent hanging out at the Freihoff home. While I didn't know Mark well, there was one conversation when he dropped a “pearl of wisdom” of his own into our group of teenage girls. I've never forgotten it and I've often repeated it. It's not appropriate to share it here, but it still makes me laugh every single time, and every time I remember Mark.

You're all in my heart and on my mind. Clay and Judy Freihoff will hold special places in my memories and in my heart forever. I wish you all the best.

I was saddened to hear of my childhood friend's passing. Your love of music inspired me, your passion for friends was endearing. God just picked up another wonderful horn player as you now get to rub elbows with Satchmo. You will be missed brother.

Mark was part of a large loving family, and as one of his many cousins, we spent lots of time together at family BBQ's and get togethers. He was always a sweet, loving, fun guy and i have wonderful memories of our times together.

I also have some great memories of the music he made, and he was so talented!

I will miss him always.

Love to you, Mark

Sorry to hear about the death of Mark, we were in band class together at Cross Keys Jr. High and I new his father Tony from Sacred Heart, We both played the Trumpet, of course Mark was a lot better than me. He was 1st Trumpet and I was 3rd. I remember when he did the lace painting in a bicycle, it was pretty cool in the 70s.
