“ Markie,

*I cannot believe that you are really gone. It is not suppose to happen this way! Your life was taken far too soon. I remember the day you were born and you had my heart from that very moment, and every moment since. I remember that sweet curly headed little boy like it was yesterday. I will cherish those wonderful memories forever! Our family will never be the same without you here. My heart is breaking, but I know you are in a far better place. RIP Honey, I will love you forever!!*
