“ I have many great memories of your mom and family. I loved my childhood growing up next door to you and playing back and forth between houses. Your mom was always so sweet to me. I will be praying for comfort for your at this difficult time. We would love to see you all sometime as we have lost contact over the years. Our mom passed away this last June at the age of 95. Donita and I are both on Facebook. Here is my number 314-952-2755.
