“ *Diane and family,
Our deepest sympathy for our loss of Mike. Just met him not too long along at the grocery store and had a pretty good talk. Again so sorry for your loss.
Our best to you Phyllis and Bob Conlin*

“ *Diane! Warren Hartman here. Not certain how we're related - distant cousins for sure.
My condolences to you and your family over Mike's passing. My mother, Geneva Long - Hartman - Crabtree and I would visit your mom and dad all the time. Your dad was my mother's cousin.
Before you were born, Mike and I had fun playing around in Florissant.
Forgotten the name of the street. I was quite a bit older than him, but he was a happy, cute little kid. Lots of bar-b-ques and get togethers.
My wife and family now live in Franklin, Tennessee. I'll be 68 this year. If you'd like, email me at wghman@comcast.net and we can keep in touch.
Warm regards,
Warren*
