“ Not only Michael L. Nice was a hero in the Marines he was my hero, he was my Uncle who I deeply respected and his passing is a shock to me because I was just thinking of my Uncle Mike who I love and think of everyday. Rest in peace Uncle Mike at least it is comforting to know you are at peace and with my Daddy who is your little brother, give my love to my Daddy.

“ You left so suddenly and had so much still to give. I missed out on knowing you better but the light that was extinguished on that day will forever burn bright in the heart and memory of your beautiful daughter. I will watch over her as you would have done as well and enjoy the memories that she has of you and the love in her eyes when she speaks of you. Trust me you are already missed but will never be gone. I wish I could have known you better. Danielle will always carry your fire with her. I promise to keep her safe and love her unconditionally. Wear wings Sir, we will meet again down the road. Semper Fi and RIP. We all miss you.
