“ I met the Spellmeyer family when I befriended Barb, way back in high school days. I remember that big family, happy feeling their house use to have. I remember many a day, coming over to their home with Barb and sitting and just chatting with her mom in her kitchen. I have so many fond memories of her mom and she was easy to adopt as a second mom to all. Great lady and her legacy lives on in all of her kids. So sorry for your loss and my sympathy to all the Spellmeyer clan. Much love and prayers of comfort. Cheryl Fleischer-Smith

“ Aunt Opal, such a pretty lady. I ask her and Uncle Robert to make a cassette tape at Christmas time, of Uncle Robert on the piano playing Christmas songs. Dawn ask me to send her a copy. I put it on my Ipod and sent her the original. So now they have their voices on the tape. Aunt Opal you will be missed, Love your niece. Jane Hamilton

“ Josh and I send our deepest sympathies to this amazing family. We have known the family through Wesley and Jen, and consider the family a part of ours. So we are here to show support and give you strength during this tough time.

For me, whenever there was a family event that I was a part of, and Opal was there, she always had a smile on her face and it brightened my day. She was the kind of person that reminded me that there are still good people out there, and she bestowed that onto the rest of the family as well. Again, I am sorry for your loss and if you need anything, we are here.

sincerely,
Jenny and Josh Morales
