“ So sorry, Lora. Still remember visiting with you and Pat. We enjoyed that so much. You and Pat were both so kind. You have always been a special friend, and I love you and am praying for you. If you feel the need to get away later, our home here in Tennessee is open to you. It is very quiet and peaceful here and we would love to have you.

“ Pat Click was a gentle and loving man. He will be missed deeply. I was so happy when he and Lora received Business Person of the Year. He was so proud to receive the award and so deserving. Golf was his passion along with Lora and I always was sacred to ask in what order? Golf or Lora, which came first? Pat, your suffering is over and you will be able to play all the golf you ever wanted now!

We are so sorry to hear of your family loss. I know you have many wonderful memories. The first one that came to mind for us was the Covered Bridge Festivals and the stock car races we went to. One year we were introduced to the Blooming Onions. Holidays were like no other with your family. Give a hug for Patrick and Mary for us. Now Pat and Bernie can fix the A/C's in heaven.

I will never forget the kindness and love Lora and Pat's family extended so graciously to anyone who entered their home. In the midst of unbearable loss, they continued to think of others. Pat lives on in every life he touch.
