“ I had worked with Pat for those 32+ years at Hussmann. He was one of my go to guys whenever I had a question which he always had an answer for. I know that he was extremely proud of his family as it always seemed to come up in our conversations. He will be missed by many, myself included. My condolences to Dianne and the family.

“ Our condolences.

You are in our thoughts and prayers. We will be thinking of you and the rest of the family. On a personal note, we have known Pat for several years. We first meet Pat when my daughter Jessica started playing soccer for Truman State University. He was a great mentor for our family, always ready to answer any of our questions and help us get through that first year. Over the next few years I always looked forward to soccer season and seeing Pat and his family. Over those years our family was in charge of the tailgating and Pat was also there helping out. His job though was the Truman flag which he took very seriously. After every Truman soccer goal he would raise the flag and run up and down the sidelines. I will always remember his smile and laugh as we enjoyed our girls' soccer season.

We will miss Pat and we will cherish all the happy memories we had with him. Please accept our sincere condolences.

“ Dianne and family-The world has just lost a great man. We loved Pat as a friend and are better people because we knew him! My favorite memories are of camping and floating with the gang in our younger days- so much laughter! Makes me smile even now to think of it! We will hold you in our prayers!

“ I worked with Pat for many years at Hussmann. I also had the pleasure of playing golf with him. It difficult to tell you how deeply Pat will be missed. What started many years ago as a business relationship between Pat and me quickly became a warm friendship. It was a privilege to have known him. I will never forget his thoughtfulness and kindness.

With great personal sorrow, I ask to share your loss and to extend my heartfelt sympathy.

“ Pat was my high school classmate at Aquinas. I will always remember him as a guy with a smile on his face and someone who made people around him happy. He had a positive demeanor all the time. He came to all the reunions over the years and was one of the best classmates ever. We will miss you Pat. My prayers go out to the family. We lost a good one.
