“ *Pat and I shared the love of scrapbooking and card making. We spent many hours doing just that together and talking about so many things that we needed to confide in with someone that we knew was a true friend. We discovered at work one day at the lunch table that we are distant cousins, and away our friendship went. I got to know her and always admired how much she loved being a Gideon. Her faith was very real and ran very deep. I will miss her very much.*

*Please accept our heart felt sympathy in Pat's call home to heaven. Due to health issues we will be unable to attend, however we will be there in spirit. I have great memories of our times together in the Gideon's Auxiliary.*

*I just heard of Pat's passing. There are so many memories I have of her. We spent many years working together in the Gideon Auxiliary I loved just being with her no matter what we were doing. I know she is with our Lord Jesus in glory. I pray for all the family that you may feel the comfort that only our Lord can give.*
