“ Dear Dad, you showed us all how 'Good' a person could be. And you taught us not only by words, but my actions. You are and always will be my hero and I will miss you so very, very much! Thank you for caring and thoughtfulness, your jokes and your encouragement, your wisdom and most of all for your patience...which I wish I had only a portion of. Though I did not always tell you, I want you to know that I appreciated everything you did for me, Your strength and dignity, your courage and unselfishness make me strive to be more like you. I will miss your every hour of every day but I take comfort in knowing that Jesus is now by your side and you have no more worries or pain. Enjoy Heaven Daddy, The stars will all be brighter for me from now on! All my love, forever and always!!

“ My Uncle Paul was a great husband, Fathet, Grandfather, but he was also a great Uncle to us nieces and nephews. My aunt and Uncle watched us kids when we were little and my Mother and Father had to work. I have lots of wonderful memories of wrestling at the chase, baseball games and let's not forget the Pepsi picnics he allowed us to attend. This man was always so patient with having 5 children of his own and add 3 more to watch. Ouch!! Nerves of steel I say. Love you Uncle Paul ! Fly with the Angels !

“ Grandpa was always there for us grandkids. Whether it was to help us get to work, school, homework assignments, or to be the comedic relief. He was the sweetest and funniest grandpa I could have asked for. I'll always remember his smile and how his eyes seemed to brighten when him and grandma would see a baby. They showed us what a marriage should be and how to love your family unconditionally. I love you grandpa, until we meet again.

“ My dad, Paul, Heberer, was, and is, the perfect example of what a father and husband should be---devoted and loving to his family, placing his family's wants/needs above his own, rarely complaining , dedicated to his work, quick with a silly joke and a twinkle in his eye, a huge smile when he would see babies at a store. I will always remember you giving us piggy back rides, acting like a gorilla when I was young, and , as I've gotten older, telling me "watch out for those Pepsi trucks" whenever i drove back to Arkansas. I will mss you so much, but am blessed that God made you my father.

“ *Being with family today. My Grandpa was an amazing person. He showed me what a good father was. He loved to fish, read the newspaper and always made someone laugh. He LOVED to tell stories, read books and watch shows. He loved tending to his garden. He was always there for his family. He helped take care of us when my siblings and I were younger while Mom went to work. I appreciated his rides to and from school ("I'll put it on your tab" *giggles*). I am thankful he was there on my Wedding Day and I will never forget our father/daughter dance.*

I love you Grandpa. Thank you for being the person you were and for everything you have done.
