“ Prayers and condolences to the family of Mr R - if everyone had neighbors like that the world would be a better place. I'm sorry I was not able to be there to share and express my sympathy in person.

“ Mr. Rad my friend and mentor...

For 17 years of Mondays Mr. and I shared stories, troubles, joys and dreams. He was the most kind and fascinating gentleman I have ever known. When my family members died, He was there for me. And when his died I was there for him. We had an unusual and special friendship. He only wanted to die before he had to bury anymore loved ones. He will be forever in my memory as my friend and now my guardian angel. I want to thank his children for sharing their special father with me all of these years. It was truly a privilege to know him. And I find such comfort in knowing he will Never suffer again. And that he and Delphine are together again...Beverly Moellering Thro

“ I lived next door to Hal for most of my childhood. My last memory of Hal was last year when some of the old St Thomas residents celebrated his 97th birthday. His memory and wit was an inspiring attribute. I will always remember my last conversation with my old neighbor.

“ Grandpa was one the most impressive men I had the privilege of knowing. He always entertained me with his vast knowledge of life, family and business. Even at the young age of 97, he was as sharp as can be. He will truly be missed by my family, but we take comfort knowing he will soon be reunited with his wife in heaven! Rest in peace Grandpa. We will all miss you greatly.

Sincerely,
Brant, Dawn, and Sam Rademeyer.
