“ *Linda, Chris, Greg, Steve and the family. My heart goes out to you. I know how much you meant to him and how proud he was of each of you and particularly his grandkids. Family was the most important thing in his life. He will certainly be missed by everyone who ever had the privilege of knowing Phil. He was a joy to be with - never too serious and always a joke or two to share. He had the most contagious laugh which he used a lot. Even though our times together were very rare in the past few years, I will always cherish the memory of our childhood.*
