“ Hi Beverly, so sorry for your loss, and the loss for your family. Everyone will certainly miss him. He reminded me of Charlie, so quiet, and so sincere. We will certainly miss him. So glad you had so many wonderful years with him. Sorry we can't make it down. Wish we were closer. We don't drive in the cities like we used to either. Instead of flowers, we are sending something else from the family. Give your family our love, Twila & Marvin

“ I did not have the pleasure of knowing Ralph. I know he was a hero to at least two of my favorite people. My heart is heavy knowing that you are broken hearted today. But I can't help but smile knowing what an impact he made while he was here. Love to you and your family. Praying for comfort in this moment.

“ Dear Beverly, My heart goes out to you and your family. I really did not know Ralph that well but just hearing you talk about him it was like I knew him well. I know how very proud you were of him. Just know he is in a better place and he is not suffering anymore. Take my friend. Love you Cathy
