“ I was so saddened to hear of the loss of Rayma. She was not only my neighbor when I was young, but also an incredible friend. Rayma always took time for my brothers and I. One of my earliest memories of her was when I was around four years old. I had cowboy boots on and had stuck them through the trapeze rings on the swingset. I somehow let go and fell backwards and was stuck hanging upside down. Rayma came rushing over to recue me! She was a wonderful listener and I have many memories of just sitting on thier back porch talking to her and her mom. ( We called Grandma Weeks) Rayma took time to try to teach me to swim, play tennis, make latch hook rugs, build dollhouses, read with me and put together puzzles. She also was always there to treat a sprained ankle and nurse whatever wounds any of the neighborhood kids had. I had lost contact with Rayma many years ago, but thought of her fondly often. May God Bless her family and friends who I am sure will miss her greatly. You will all be in my prayers.~Michelle (Romie) Richter

“ I was blessed to have worked with Rayma for over eight years. Everyday I was touched by something special that she would do. A simple smile, a warm hug or a special lunch treat that her and her sister had made. Everyday was just brighter having her there. Rayma you will missed by many and always in my heart. My prayers go out to all your family and friends and I am so thankful to have had you in my life. ???

“ *Rayma was always patient and had a warm smile and kind words for everyone. She had a wise and gentle spirit, enjoyed helping others, and went the extra mile for me when shopping at Michael's. I am so grateful that she was a good friend and advisor for my daughter, supporting her through challenges and truly celebrating her joys. Rayma will be remembered so very fondly, and missed by so many. With much care and sympathy, Linda Kaemming*

“ *I only knew Rayma because I shopped at Michaels a lot. When Michaels moved, I asked the workers, that I knew, where she was, and they said she retired. I missed her already because she was always so sweet and always ready to teach us something and to show where something was. She will be missed even more now. God be with her.*

“ *I and my daughter, Stephanie Powers, both worked with Rayma at Michaels craft store more at the old store before they moved from 2010-2013.*

*I loved working with Rayma, and her sense of humor always kept me laughing. I learned all I know about floral design and how to make full, fluffy, pretty bows from Rayma. I will always think of her when I make a flower arrangement or a bow, and will miss seeing her, and saying hi when I shop at the store. We love you Rayma, see you again some day,*
