“What a kind and generous man, the Bible tells us, “Behold, I am coming quickly, and My reward is with Me, to render to every man according to what he has done.” I pray that Bob's reward is GREAT. Very few know all the things he and his wife Jean helped make possible these past 22 ½ years in our lives and the lives of others. I will see you when my chores are through.

“we will sure miss you walking your dog and enjoying your wonderful stories . your dad was a super guy and i am proud to have known him for all the years that i did. he always had a smile on his face no matter how much pain he was in. he had the gift of gab and he always had something interesting to talk about, too. now he is at peace and with your mom and his long time friend his dog. to the family i want to say that he will be missed and that he had a heart of gold. may he rest in peace forever and ever.

“ I remember going with Uncle Bob and Aunt Jean and my cousins to his parents farm to visit. Those were the good old days.

I also remember living with them the first couple of months of the school year, while my parents were in process of moving to Florissant.
