“ I will never say goodbye to you Dad
because I know this is not the end for us to see each other.
You will only be going to a place where there's no pain nor suffering.
I am happy for you, for you will be with Mom.
For now we need to go in separate ways.
I remember how your arms hold me and give me strength.
You were always there to listen, love, and defend us in everything..
I'm very grateful and proud to call you my dad.
Here deep inside my heart you'll always be.
I would give up everything I have just to hug you one more time.
I remember the last time I held your hand and how you looked at me
in the eyes.
If only I could turn back the time I would have never let you go.
I felt the world stop and my heart stop beating when they told me
you were gone.....
How I wish I was only dreaming.
