“ My prayers are with all of the family and friends. I did not know Bob as well as everyone, but when I arrived in town, Bob always made sure he was there with his jokes, stories and smiles. My heart goes out to Jeff and Brenda Skrivan because I know how much his friendship meant to them and their family. He will forever be in my heart. Be strong Jeff, I love you dearly.

“ Bob was a very giving man who touched everyone's life. He was "Larger than Life" to me & that's how I will always remember him. Bob & his "Flash Mob" buddies came to a benefit for a young man dying of cancer with a donation for his family. That's how special Bob was & will always be. If you needed anything....he was there for you. Sometimes we can't understand the why and may never, but Bob was an Angel on earth & now an Angel in Heaven looking over us. What a beautiful soul. I will miss my friend.

“ *Bob, you were taken from us too soon my friend. Our hearts are broken. Thank you so much for being a part of my life, for making us laugh with your long winded quirky jokes, the nights of playing cards and dice, the cardinal games we shared not to mention all the get togethers and meals we shared . You were always making everyone around you feel loved. You are truly a special person and God truly has another angel by his side. Look down on us, send us a sign once in a while, and know that we all loved you with all our hearts. Godspeed my friend. I will miss you but will see you again someday.*
