“ Dear Robert's family,

Despite not seeing Robert Dale nor having any communication with him since the 1960s, I retain pleasant memories of visiting my Kansas relatives during my childhood years. I can remember playing monopoly, swimming in the farm pond, riding on tractors, etc. all involving Robert Dale.

I remember visiting him while he was hospitalized because of a spine injury received while attempting a flip of some type in either physical education or football practice while he was in high school.

I offer my condolences and may his family be at peace.
