“ Elaine,
We were so sorry to hear of Bob's passing. He was always such a happy person and fun to be with. I thought it was neat that he still owned his first bicycle. I remember mine and wish I still had it. I am glad that I had a chance to talk with Bob in February. As usual he was positive despite the circumstances. Everyone I know thought Bob was an admirable person. In fact, I have never heard anyone say anything negative about him. What a wonderful legacy he has left for his children and grandchildren. Praying for you and your family.

Yours in Christ,
Bev and Scott

“ I am truly sad to hear of Bob's passing. I had the pleasure of working with him at Manheim St. Louis, and have missed his smile and laughter terribly over the last few months. Rest in peace, Bob, your place can never truly be filled. Thank you for the light and laughter in knowing you.
