“ My prayer goes out to the Scheck family, I would like to express my condolence at this time to your family. The Bible is a great source of encouragement at times like this, a comforting thought is at Revelation 21:4 "And he will wipe out every tear from their eyes, and death will be no more, neither will mourning nor outcry nor pain be anymore. The former things have passed away"

“ I remember playing dress up with Tara. When she was little and I was at our grandmas house and I would save my allowance to buy pretty dresses for her and then she went to baseball caps and jerseys always a beautiful person inside and out always made me laugh

“ GF, I'll never Forget how you Got off of Work, my car broke down, I texted you and you came and got me right away after the tow truck driver dropped me and my car off, and than took me to my house in Manchester, and than the next day you came back out picked me up and you called your brother to come fix my car for Nearly nothing and it was a Pain in the butt, and it took a few hours but we still laughed and joked around, you were always there for someone when they needed you, you had a very big heart and yeah this deeply saddens me this happened to you but I guess GOD had other Plans for you!!! RIP Tara, Never Forgotten

“ Thinking of you and your family, Rob. I wish you comfort during these difficult times.

A Symbol of Hope.....

A butterfly lights beside us like a sunbeam
And for a brief moment its glory
and beauty belong to our world
But then it flies again
And though we wish it could have stayed...
We feel lucky to have seen it.

“ *I remember when she stayed with me in Florissant. Months later she stopped by to visit and her dog hated me. I'd walk towards the car and the dog would try to jump through the window. I have great memories of Tara and remember she was there for us when we lost Kris. She will be missed and my thoughts are with the family.*
