“ Louise, Louise was a constant in my life. She was one of my very first memories. She was part of my life, pseudo mom, friend, confidant. She was always kind, good, open and friendly. She treated me as if I was family. If I ever needed anything, she was there. When Susie began watching my daughter so I could return to school, Louise treated her exactly as if she was her granddaughter...perhaps even better. She would 'get after' Eric or Adam if they even teased her. My daughter thought of Louise and Herman as her second grandparents and Susie as her second Mom. I cannot imagine Jean Drive without Louise. It just won't be home anymore. Love YOU Louise, you will be missed.

“ *My Aunt Lou was the best she was my mommas only sister and my favorite aunt she was like no other aunt I have. I could talk to her about anything she never judged me she only gave me her best advice but she never had a problem getting into my butt if I needed it. I spent weeks at a time with her and Uncle Herman we would stay up half the night and then sleep the next day till we got darn good and ready to get up. She would paint my nails and fix my hair and then tell me I was beautimist. Her and Uncle Herman would play game after game of rummy with me. She always made our favorite dinner while we were there. But what I will miss the most is the funny silly faces she would make at us. I know Bryan and Uncle Herman was sure glad to see her but she has left a hole in a lot of peoples heart. Love you forever and always Aunt Loulie*

“ *I remember hanging out on Jean Dr with Sue, Brian and the rest of the local kids. We had a blast and Lou always had a little extra grub for me. One special thing she used to do is sit me down in front of her and french braid my hair. I never forgot that. She was a sweetheart and I always felt at home in her home. I loved her dearly. She will be greatly missed.*
