“ *My prayers and sympathies to the Jeffery family. I have very warm memories of Mrs. Jeffery. I talked to her quite a bit on a couple of our choir tours and I always enjoyed hearing the highlights of her journals from them. She was a very kind and compassionate nurse. Jr. High is an awkward time and she was such a blessing to the students. She loved helping and loved young people so she was a perfect fit. She left this world a better place.*

“ Mrs. Jeffery, the world was a better place with you in it. You will be missed. Way back in Jr. High so many things are changing in our bodies and our lives, but you listened,,,, really listened, and cared for each of us like we were your own. You knew that we were children and young adults at the same time. You were a very rare individual and the reason I went into nursing. Rest well, job well done! Say hello to my mother for me.
