“ It was a pleasure to be a little part of Bill and his family's life. He enjoyed his family, friends, cars, boating and an occasional lunch trip tp Spirit airport for a visit.
Bill would share with me stories and pictures of his family adventures. Flying RC helicopters with Trip, vacations at the lake, car shows and much more. Bill and Dian made me feel like part of their family.
May your skies always be blue, your visibility unlimited and your travels blessed with tailwinds, and may God bless and comfort his family now and forever.

“ sorry i missed the passing of bill. i was laid up but i stopped by and talked with him many times just living down the street. i went to him before and after i bought my corvette. he gave me sound advise and i will miss him. i saw the procession going down howdershell today and if it wasn't for my hip surgery i would have been one more corvette in the procession.

“ I worked with Bill in STL from 72 until he transferred to CVG. The thing I remember the most about Bill was his love of family. When ever I would see him after he transferred he would always say he was home to be with Dian and his daughter and it seemed like I saw him every weekend. I know he will be greatly missed, God be with his soul and with his family at this trying time.

“ Bill loved four things in his life, family, Corvettes, Mizzou Athletics, and Disney World.

He is greatly missed by anyone who got to know him.

He taught me everything I know about Corvettes.

He even took me for a ride in the Mickey Thompson car.

I came to learn that Bill only had two speeds when driving, fast and really fast.

Cara and I we're blessed to know the Lacy family.

I am beyond sad over him passing.

“ I also worked with Bill many years ago at Delta. Bill helped me buy a 67 corvette

back in 1971 from Dick Ferando at D & A Corvette. My wife Jan and I were able to spend some time with Bill this past December at the Delta Christmas party. We talked corvettes!

Bill always had a smile everytime I saw him. Jan and I are very sorry to hear of Bills passing.

There were many good times we had with Bill at Delta. One of the most memorable was when I retired in 1994. He gave me a giant Chocolate Chip cookie. Which to me was very special. In the story, Bill and Dian had gone out to buy the cookie but came across a Video VCR which cost \$400. He joked that the cookie cost \$400. He was a very special man and friend. God rest his soul.

Going to Disney world for Trip's 5th birthday was a very important vacation for our family. This was Bill's grandson's first trip to Disney. I am so happy the 5 of us got to spend a wonderful week together. At the time we never thought this would be our only vacation together. Bill and Dian were so excited to see Trip in Disney world. We had a blast down there and you can tell by the pictures.
